

Create an awesome look
with perforated metal panels!
Available in brushed
silver or white!

Connect it Series

Connect it is a new look for the workplace that combines functionality with a contemporary style. This is a desking/benching system that can be used free standing or combined with our new segmented panel system. Free design and space planning available.

The typical shown above provides a functional work area complete with segmented panels and power capability, and mobile pedestals with cushions to compliment the overall design. Laminate work surfaces and fabric cushions are available with several choices. Metal tiles for panels, lateral files and pedestals are all metal and available in white or brushed silver.
