Kent Series

Kent features genuine wood veneer surfaces, fluted edge styling and curved metal pulls for a beautiful compliment to any office environment. Choose from many contour shape surfaces for contemporary design solutions in offices, reception and conference areas. Tops feature common grain direction on all components of L- and U-shape workstations. All models feature select hardwood veneers crafted in traditional fashion and finished in Mahogany, Light Cherry, or Espresso multi-step finishes for subtle elegance.

Modular design allows for quick and easy changes and reconfigurations for long-term flexibility. Desk, return and credenza shells are non-handed for left or right use. Desk shells ship flat for easy handling and protection; simple assembly required. Pedestals are built fully assembled for immediate use – slide underneath shells or permanently mount.

Madison Series

A design for the connoisseur, Madison blends executive style, scale and characteristics with the beauty of wood craftsmanship. Hardwood veneers are carefully selected and book-matched for the natural beauty of wood. Contrasting inlay accents the design. Tops feature common grain direction on all components of L- and U-shape workstations. Returns and bridges feature reverse-cope, multistep edges for smooth work surface connections.

Executive details include 79" vertical storage heights, glass-door display hutch with light kit, and available legal-width pedestals. Conference tables feature contemporary round and racetrack tops paired with full and half-cylinder bases with veneer surfaces and solid hardwood floor-level trim.

Satin Cherry finish features subtle sheen and American cherry veneer work surfaces. Figured Mahogany finish features low sheen work surfaces.

Connect it Series

Connect it is a new look for the workplace that combines functionality with a contemporary style. This is a desking/benching system that can be used free standing or combined with our new segmented panel system. Free design and space planning available.

The typical shown above provides a functional work area complete with segmented panels and power capability, drop down storage credenzas and lateral files as well as mobile pedestals with cushions to compliment the overall design. Glass and acrylic screens, high pressure laminate work surfaces and fabric cushions are available with several choices. Metal tiles for panels, storage units and pedestals are all metal and available in white or brushed silver.

Ultra2 Panel System - AO2™ Compatible

Ultra2 Systems. OEM Compatible. Ultra2 is a classic monolithic panel system designed to stand alone and work in tandem with Herman Miller® Action Office Series 2. Ultra2 Systems offers fabric and glass panels in varying heights with a 6" raceway to meet electrical and data needs. There are multiple work surfaces, components and accessories. Ultra2 is the ideal combination of value and performance. The possibilities are endless! Ultra2 provides you with the flexibility to design your space to meet your needs – from cluster-working environments, to private offices – you can design Ultra2 to work for you. Utilizing low panel height you can create a teaming environment, or integrate high panels to create a more private configuration. Ultra2 now has three distinctive, in-stock fabrics and four options for work surfaces. Let Ultra2 be your in-stock solution for your office space. Free space planning is available.

Grain, Color and Finishes

Variation of grain and color are natural, inherent characteristics of wood, a living material. This variation is part of the beauty of real wood and anticipated in wood veneer furnishings. Therefore, the Seller is not warranted to match in grain or color or texture. It is a natural phenomenon for wood grain to change in color as it ages, and wood finishes are not warranted for color-fastness.

The Seller will, at their discretion, repair or replace, to the original purchaser, any product that is defective in materials or workmanship, given normal use and care of single shift service, standard commercial usage, defined as a standard 8 hour work day, 5 days a week. Variations occurring in wood, fabric and other natural materials are inherent to their character and are not considered defects. This warranty does not cover: damage caused by transportation, cost of transportation or labor, freight, misuse, abuse, negligence, alteration, accident, vandalism, rusting, cosmetic damage that may result from normal use, acts of nature or any other event beyond the control of the Seller.

Limitation of Liability

Under no circumstance, including but not limited to breach of contract, breach of warranty of negligence, shall the Seller be liable for lost profits, loss of goodwill, stored data, general, special, consequential or exemplary damages, even if the Seller had notice of these damages or they were foreseeable. The Seller shall not be responsible for verifying customer's description of needs, data, or the fitness for a particular purpose of goods. The Seller's liability in all cases shall be limited to repair or replacement of the defective parts, or the purchase price of the product.

EXCEPT AS OTHERWISE PROVIDED, SELLER MAKES NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. PRICES SUBJECT TO CHANGE WITHOUT NOTICE.
