## Kent Series

Kent features genuine wood veneer surfaces, fluted edge styling and curved metal pulls for a beautiful compliment to any office environment. Choose from many contour shape surfaces for contemporary design solutions in offices, reception and conference areas. Tops feature common grain direction on all components of L- and U-shape workstations. All models feature select hardwood veneers crafted in traditional fashion and finished in Mahogany, Light Cherry, or Espresso multi-step finishes for subtle elegance.

Modular design allows for quick and easy changes and reconfigurations for long-term flexibility. Desk, return and credenza shells are non-handed for left or right use. Desk shells ship flat for easy handling and protection; simple assembly required. Pedestals are built fully assembled for immediate use – slide underneath shells or permanently mount.
