Kent Series

Kent features genuine wood veneer surfaces, fluted edge styling and curved metal pulls for a beautiful compliment to any office environment. Choose from many contour shape surfaces for contemporary design solutions in offices, reception and conference areas. Tops feature common grain direction on all components of L- and U-shape workstations. All models feature select hardwood veneers crafted in traditional fashion and finished in Mahogany, Light Cherry, or Espresso multi-step finishes for subtle elegance.

Modular design allows for quick and easy changes and reconfigurations for long-term flexibility. Desk, return and credenza shells are non-handed for left or right use. Desk shells ship flat for easy handling and protection; simple assembly required. Pedestals are built fully assembled for immediate use – slide underneath shells or permanently mount.

CHY - Satin Cherry FMAH - Figured Mahogany

Madison Series

A design for the connoisseur, Madison blends executive style, scale and characteristics with the beauty of wood craftsmanship. Hardwood veneers are carefully selected and book-matched for the natural beauty of wood. Contrasting inlay accents the design. Tops feature common grain direction on all components of L- and U-shape workstations. Returns and bridges feature reverse-cope, multistep edges for smooth work surface connections.

Executive details include 79" vertical storage heights, glass-door display hutch with light kit, and available legal-width pedestals. Conference tables feature contemporary round and racetrack tops paired with full and half-cylinder bases with veneer surfaces and solid hardwood floor-level trim.

Satin Cherry finish features subtle sheen and American cherry veneer work surfaces. Figured Mahogany finish features low sheen work surfaces.

Orders from customers without a previous OFD credit rating will not be accepted without satisfactory references accompanying the order or other arrangements being made. OFD does not accept verbal purchase orders or revisions. Orders are accepted via fax or e-mail only. Please fax purchase orders to 972-386-5300 or e-mail to cs@ofd.com
